

HOW THE AFFORDABLE CARE ACT IS WORKING FOR CALIFORNIA

- ▶ More than **5 million uninsured** Californians are eligible to enroll in the new health insurance exchange at CoveredCA.com
- ▶ More than **1.4 million uninsured** Californians are eligible for Medi-Cal
- ▶ More than **400,000 young adults** in California now have coverage through their parents' plan
- ▶ Californians received more than **\$65 million in rebates** from insurers — an average of \$71 per family
- ▶ California seniors on Medicare saved **\$574 million on prescription drugs**
- ▶ More than **5 million women** in California no longer pay out of pocket for preventive services like checkups or mammograms

Need Health Care?

Purchase affordable, quality health coverage through California's new health insurance exchange.

BENEFITS FOR EVERYONE UNDER THE AFFORDABLE CARE ACT

- ▶ No denial of coverage due to pre-existing conditions
- ▶ No lifetime or annual limits on coverage
- ▶ No paying more based on health status or gender
- ▶ No co-pays for preventive care like vaccines and birth control
- ▶ Young adults can stay on parents' health plans until age 26
- ▶ Seniors pay less for prescription drugs
- ▶ New "Health Exchanges" where qualified individuals, families, and small businesses can shop and compare plans
- ▶ Tax credits and financial benefits make quality insurance more affordable
